

Abnormal Load Request Form

If your vehicle plus load is greater than 20 metres long, three metres wide or 44 tonnes gross weight, please complete this form and send to abnormalloads@wightlink.co.uk so we can advise on your travel options and prices. We can only ship abnormal loads on our Portsmouth – Fishbourne route. We can usually only ship abnormal loads Tuesday to Thursday, but we will consider other days during off-peak months and times, subject to availability.

By returning this form you are declaring all measurements to be accurate.

If the measurements are incorrect on arrival at the port, we reserve the right to refuse shipment.

Please be aware we may request a diagram of your load including all measurements.
